### The association was founded with the following Objectives:

1. To bring together all professionals from public and private organizations involved in maize research, extension, production, processing, value addition, seed production/ marketing, energy, socio-economic and environmental issues.
2. To facilitate linkages among maize stake holders to disseminate up-to-date and relevant technology/information needed for end through organizing conferences/symposia/ seminars/ meetings, etc.
3. To publish a multidisciplinary scientific journal of international standards exclusively devoted to the maize research named "Maize Journal"

**Maize Journal** is the official publication of the Maize Technologists Association of India and is published half yearly i.e. in the months of April and October each year. This periodical publishes peer-reviewed original reviews, research papers and short communications in English on all aspects of maize research and related industries. All contributions to this Journal are peer reviewed and published free of charge.
