

Proceedings of the handing over and taking over the documents from outgoing Executive Council to incoming EC of the Maize Technologists Association of India (MTAI) on September 29, 2021

The outgoing Executive Council of MTAI handed over the documents to incoming EC on September 29, 2021 for smooth functioning of the society. Dr. Sain Dass, President profusely thanked to the outgoing EC members for their untiring efforts for the welfare of Maize Technologies Association of India (MTAI) during their tenure. He emphasized on cooperation and collective efforts of all the MTAI members to take the Society to the newer heights in future. Further, he emphasized that the MTAI members have a lot of expectations from this EC and we shall try our best to reach up to the expectations of the honorable members.
